Help KAFASI Virtual Connect for Seniors

Be a Technology Assistance Volunteer to help seniors connect with Family, Friends and Community.

1. Are you knowledgeable with technology and want to share?
2. Are you familiar with tablets, smart phones and computers?
3. Would you like to help seniors become more comfortable with technology?

If you answered yes to some or all of the questions please consider joining KAFASI Connect Technology Assistance.

As a volunteer you can help with:

1. Assist with the Tablet Loan Program
2. Be a Technology Mentor
3. Conduct Individual and group sessions
4. Join Virtual programs that provide information, education and resources
5. One or two hours a week helping seniors be less isolated and comfortable with devices.
